

College of Lactation Consultants WA Inc
Annual General Meeting 18th October 2021
Held at Ngala Meeting Room, Kensington

Meeting opened at 1900hrs

Apologies: Elaine Pritchard, Kirsten Tannenbaum, Julie Williams.

Acceptance of AGM 2020 minutes by Leanne, Seconded by Elaine

Education report: Louisa has experienced great difficulty in obtaining CERPS for the education sessions and the conference. However, IBCLC has finally responded today and CERPS will be available on the website. Speakers have been arranged for 2022 by Louisa and Sharon.

Presidents report: The employment of Fleur as a virtual administrator has been very helpful in this challenging year. The update of the website has been beneficial for the committee and members. Leanne and Louisa have discussed asking Fleur to do a spreadsheet or a Google drive document so that tasks can be allocated in the lead up to the conference and meetings to reduce workload for all.

Treasurers report is attached.

Library report; Vicky will obtain a list of the books from the website.

Julie has stood down as Website and membership Secretary after many years of involvement in CLCWA. Julie will be sorely missed and all in the committee wish her all the best in the future.

The remainder of the committee will continue for the next year, and we welcome Jodi Peake and Rosemary Dale as new members of the committee. Sharon will continue to assist Louisa with education.
